Chatteris Educational Foundation | Hong Kong, HK (SAR) August 2015-June 2106

Designed, orchestrated, and implemented multiple workshops that improved students English literacy and engagement 30% more effectively than years previous

#### University Instructor

Zhejiang Y. University | Shaoxing, CN (PRC)  
September 2014-June 2015

Developed subject-appropriate, creative, and interactive lessons to an average of 20 students that improved their English literacy skills by 30%

### *Projects*

*Community Wealth Building Database* (in progress)

A tool to help local profit circulate in local communities by finding cooperative businesses in Denver partnered with the Community Wealth Building. I recently joined Code for Denver and choose to help contribute on this project in any way that I can.

*Technologies:* ClojureScript, Docker

### *Endeavors*

A task-manager shared amongst companions that keeps track/exhibits everyone's duties in a major endeavor which also helps each user stay motivated to create targeted and effective goals so the team may accomplish a prime endeavor

*Technologies:* Python, jQuery, Django,

### *Cosmic Key*

A commissioned website for an up and coming lifestyle micro-influencer. The site literally reads like a book, connects to MailChimp.

*Technologies:* TypeScript, Turn.js, MailChimp, MongoDB, Express.js, AngularJS, and Node.js.

### *Education*

**Full-Stack Web Development, Certified** | Coding Dojo | Sept 2018

Completed over 1200+ hours of hands-on coding experience and succeed in passing all 3 required full CRUD examinations in a five hour time frame (Python, Mean, Java).

**International Development, MA** | Concordia University | May 2016

Successfully completed all graduate curriculum and accomplished a thesis covering the "Most Common Practices of Social Enterprises: Recruitment".

**Meetings & Events, BA** | University of Nevada-Las Vegas | Dec 2014  
**Business, AA** | College of Southern Nevada | Dec 2012
